

Webinar: Impact of COVID-19 on Global Real Estate – Duff & Phelps / GRI Survey

Duff & Phelps' Real Estate Advisory Group and the GRI Club recently carried out a survey targeting the commercial real estate industry, to glean data on how the sector has been impacted by COVID-19, and predictions on how real estate valuations and financing will be affected.

In this webinar, our expert panel will discuss the survey findings and provide insights on how the sector is responding to this unprecedented situation.

Date:

Tuesday, October 13

Time:

2:00 p.m. - 3:00 p.m. BST / 9:00 a.m. - 10:00 a.m. EDT / 9:00 p.m. - 10:00 p.m. HKT

Agenda:

- Introduction and overview of the survey findings
- Panel discussion:
 - Market insights from the U.S.
 - Market insights from Europe and APAC
 - How has COVID-19 impacted real estate valuations?
 - How will real estate financing be affected?
- Q&A
